

## MHBMYC 2020 Race Schedule

For 2020 the club will race two fleets, **Solings** and **DF95s**

There will be 3 competitions for each class: A 10 day race series with the best 6 days to count, five days of Match Racing with the best 3 days to count, and a Regatta as a finale. Match racing days will be long enough for every boat to race every other boat. Please bring lunch on these occasions.

For the 10 race series the **DF95** fleet will race interspersed with the **Soling** races in an extended morning starting at 11.00 every Tuesday.

Match Racing for **Solings** will be held on the Tuesdays listed at 11.00.

Match Racing for **DF95s** will be held on the Thursdays listed at 11.00

In the event that Tuesday race days are cancelled, the planned event will move to the following Thursday unless it is planned for a **DF95** event.
